Mr. Euler

Thank you for submitting your request for a feasibility study to analyze the potential to supply kits to organizations and/ or agencies within the State of Indiana. The State Use Committee met yesterday May 15, 2012 and approved your request for the feasibility study.

We will begin to investigate the feasibility of the initiative from a supplier and sales history perspective. We will inform you of all developments and findings. Likewise, please keep us informed of your progress and any questions you may have through the feasibility study. Thank you for your interest in the State Use program and championing the employment of people with disabilities.

Sincerely,

Aaron Fields
Account Executive
